HOT PRODUCTS BY CHRISTIE GREEN

Aretic FX Graphics Kit
TIRED OF GOING along with the crowd? Well with AreticFX you can build your own graphics kit with its web application for designing one-of-a-kind graphics wraps. The kits come with super-aggressive adhesive to keep you from worrying about the wear and tear. These kits will last! Cost varies by design. **More info:** www.aeticfxgraphics.com; 588-788-9851.

X-Team Nylon Gloves
COLD HANDS won't happen with these gloves from Ski-Doo. Advertised as its warmest glove, Ski-Doo has these made with a Hipora waterproof, windproof and breathable membrane. MFFT technology makes for a better grip. Antibacterial, stay-dry moisture management lining keeps hands dry. Padded knuckles protect from debris and wind. The gloves are available in black, grey and yellow. Sizes XS-XL. Cost is \$84.99. **More info:** www.store.ski-doo.com

Edge Rail Trim
SAVE HEADACHES loading sleds on trailers with SuperClamp's new Edge Rail Trim. No longer will you catch carbides on the edges of the trailer or ramp. This mounts to not only ramps and trailers, but also sled decks, ATV decks and their ramps. Tach screws are provided with each kit. Working the Edge Rail Trim (ERT) on Steel or Aluminum ramps is always another option; it eliminates the need to use the six screws per SuperGlide. This allows the SuperGlide to expand and contract. The SuperGlide now float freely within the ERT. Cost is \$44.95. **More info:** www.superclamp.net

Adrenaline BOA Boot
KLM BRINGS BOA technology to the popular Adrenaline Boot. The BOA system makes for fast lacing on and taking off. The boots have 800 grams of premium 3M Thinsulate insulation to keep active riders warm. Available in sizes 7-14. Cost is \$349. **More info:** www.klm.com

EVAC Shovel
MULTI-FUNCTION TOOLS like Black Diamond's Evac Shovel allow riders to carry less heavy equipment in the mountains. Less weight is imperative in the mountains. This shovel easily changes angles too. It is made of ultra-durable construction and a compact design. The shaft is a compact telescoping design and it has a durable anodized blade. Cost is \$79.99-\$99.99. **More info:** www.blackdiamondequipment.com

Ski-Doo Snowboard and Ski Rack
BOOST YOUR FUN in the backcountry with this snowboard and ski rack. It mounts along either side of a 140-inch sled, or longer. Quick-lock straps make for fast loading and unloading. It can be attached and removed from the sled without any tools. Cost is \$329.99. **More info:** www.store.ski-doo.com

Straightline's Performance Ice Scratcher
WOODY'S CUSTOM carbide studs are used on this ice scratcher. It has a completely stainless steel wire rope for lifetime use. It is designed to be able to run down at all times, and it can be mounted on the rails. The carbide scratcher tip can be replaced at an affordable price. A large mounting base helps to avoid rail wear. Cost is \$329.99. **More info:** www.straightline-performance.com; 651-406-0212

Trail Systems Holder
STAY ON TRACK with this cellphone and GPS holder. It is made with a transparent, touch-through screen cover. Water resistant zippers with two different thickness foam inserts secures varying sizes and keeps the smartphone dry. It is rubber mounted to isolate shock and vibrations. Cost is \$139.99. **More info:** www.trailsystems.com

Oxygen Plus
PREVENT ALTITUDE SICKNESS when riding in the mountains with Oxygen Plus. These lightweight canisters contain 95 percent pure oxygen. It allows the users to increase their oxygen intake simply by pressing the nozzle. It will offset altitude effects including dizziness, fatigue and headaches. Cost ranges from \$23-\$89 depending on size and flavoring of pack. **More info:** www.shopoxygen-plus.com

Stage 2 Exterminator Kit
ADD 15 EXTRA horses to an Arctic Cat 2012-2015 ZV/FX/FF 800/800i Pro-Cross snowmobile with Speedwerk's Exterminator Kit. Customers are said to use a 6-7' sled length gain in 1000-ft. as well as a proclaimed 5 mph gain in top speed. The kit is designed for everyday riding and requires premium pump gas. Cost is \$1,649. **More info:** www.speedwerkstore.com

Full Frontal Balacava
STAY WARM with HMK's Full Frontal Balacava. It is made with microflex fleece and is hinged for maximum comfort. Added face and neck protection via wind blocking inserts insures the wind stays at bay. Mesh breathing panel helps keep the mouth dry and moisture wicking keeps the sweat off. Cost is \$44. **More info:** www.hmkusa.com
